REPLY TO NOTIFICATION OF DEFECTIVE RESPONSE

Commissioner of Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

A Notification of Defective Response was mailed to the undersigned in the subject U.S. patent application on August 8, 2006. A copy of that Notification is enclosed. The Notification acknowledges receipt of various materials filed with the subject application on January 10, 2006. It also acknowledges receipt of a second Preliminary Amendment filed February 24, 2006, together with various materials accompanying that Second Preliminary Amendment.

A Notification of Missing Requirements was mailed to the undersigned on April 19, 2006. That notification asserted that the materials filed on January 10, 2006 and February 24, 2006 did not include a copy of the translated claims of the original

published text of the PCT application WO 2005/007410.

A Response to the Notification of Missing Requirements of April 19, 2006 was filed on April 21, 2006. That Response asserted that a verified translation of WO 2005/007410, including claims 1-24, was included in the Second Preliminary Amendment filed February 24, 2006 and filed, a second time, on April 14, 2006 in response to a Notice Under 35 CFR 1.251, mailed on April 13, 2006.

The undersigned contacted Ms. Vonda Wallace by telephone on August 17, 2005 and was advised by Ms. Wallace that the Patent Office file still does not appear to include an English language translation of the original claims of WO 2005/007410. This is despite the submission of these materials on February 24, 2006, and their re-submission on April 14, 2006.

In an effort to advance the processing of this application, there is again submitted a copy of a verified English language translation of the German language text of WO 2005/007410. This verified translation includes a translation of claims 1-24, as set forth in the published PCT application.

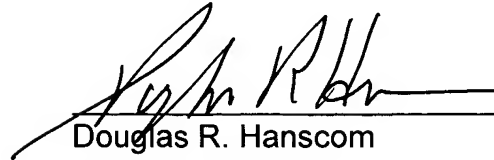

The entry of these materials into the file of the subject U.S. patent application, and the issuance of a Notification of Acceptance is respectfully requested.

No additional fees are believed to be required. The \$130.00 was paid when the application was filed. If there are any fees required, it is requested that they be charged to the deposit account No. 10-1213 of the undersigned.

Respectfully submitted,

Jochen SIEBER et al.
